History of corner establishment since Original Government Survey

Kennedy was near this corner in 1937 but he makes no mention as to actually locating corner.

Description of corner evidence found:

I established this corner on line with and equidistant to the line between the E¼ corner and the Southeast corner of the NE¼-SE¼, both being in Sec. 6-T19N-R1E. This corner location fits Kennedy's prorated distance from the Southeast corner of Sec. 7 to the Northeast corner of Sec. 6 fairly well.

COUNTY SURVEYOR FORM NO. 1
