History of corner establishment since Original Government Survey

Kenyon was here in October of 1883, October of 1885 and in June of 1889. Holden was here in June of 1910. This corner was set in error in June of 1977 and in May of 1982.

Description of corner evidence found:

I set this corner by doubling over the bearing and distance of the line which runs along the East line of the SE¼ of the SE¼. This is the intended location of this corner from the June 1977 survey.
