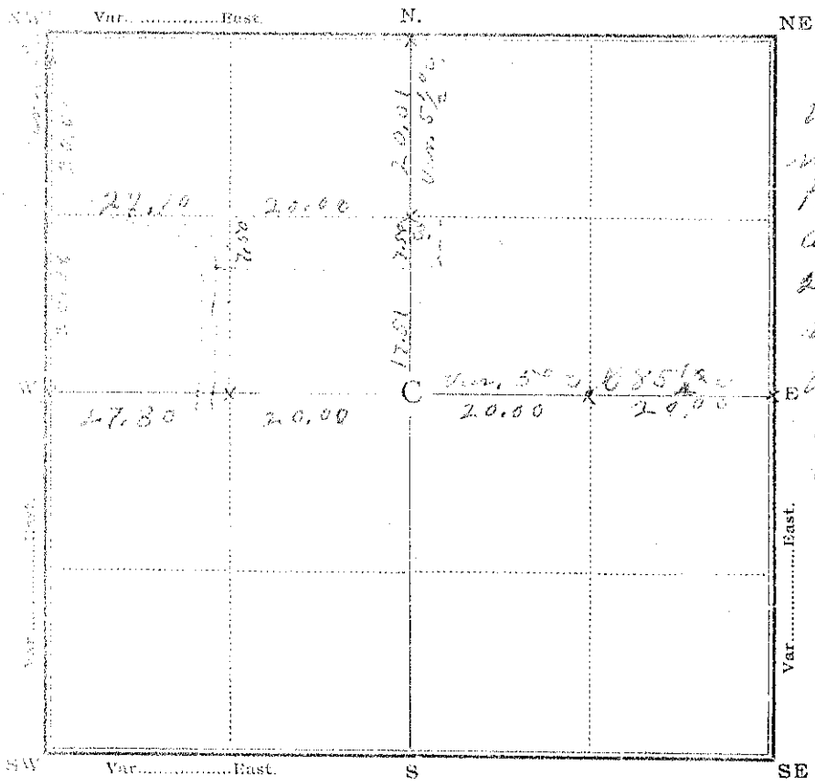
CERTIFICATE OF SURVEY—COUNTY SURVEYOR. 5-1-3 Printed and for sale by R. H. GIBE, Milwaukee, Wis.

Office of County Surveyor,
Jackson County, Wis.
Sec. 18 Town 17 N., Range 1 East 4th P. M.



REMARKS.

Survey made Nov. 24, 25 & 26 1914 for Otto Hunstad, to determine the location of division line as indicated by dotted line in diagram. Found said line practically same as Mr. Schroeder had located it 2 years ago. This survey is partly random, and public was not found. Had Schroeder had a practical surveyor would be to confirm the Schroeder line, to which was stopped. The N & S cent. line was not seen clear thru section & true is random. The N ¼ corner is uncertain but is in Schroeder's line as shown by new fence as drawn.
