History of corner establishment since Original Government Survey

Recorded history since the original government survey.-
Schroeder was here in April 1894
C.C.Miller was here in February 1858

Description of corner evidence found:

Set on line and equidistant between the NW and SW corners of Section 23. This point fits the P.I. of the shown Town Road very well. We also found pieces of wire running north and south as we dug the hole.

See Reverse Side For Maintenance

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:

Witnesses to corner location:
