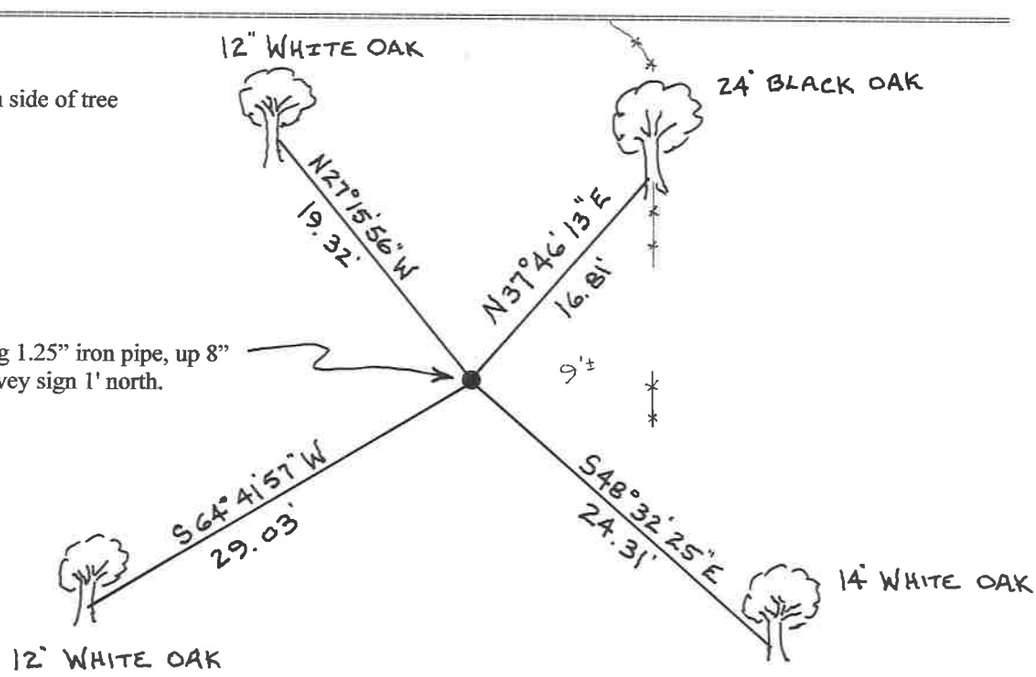
Basis For Monument Location:

(Show info such as history, evidence, testimony, found or method of relocation)

No known history since the Original Government Survey.

Found and accepted an unrecorded 1.25" iron pipe. Fits well with other corners and reasonably well with old fence occupation. It's possible this corner may have been set by S. Kennedy, who had done a lot of work in the Town of Scott in the 1930's-1940's.

Set 12" spike on side of tree



Existing 1.25" iron pipe, up 8"
Set survey sign 1' north.
