THETA ANGLE: _____

FIELD BOOK: _____ PAGE _____

BASIS FOR MONUMENT LOCATION

(Use reverse side if necessary)

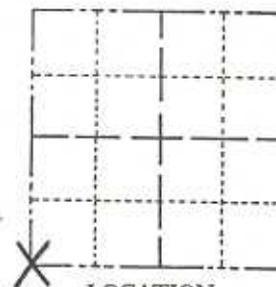

Show info such as: History of corner, with reference to Vol. and pg. dates, surveyor; exact description of monument replaced; if location computed, by taped or EDM traverse; landowner remarks, etc.

An extensive EDM traverse was run from the west county line to New Lisbon for the R/W Plat for the proposed relocation of C.T.H. "A".

This corner was established by the intersection of the extension of the north-south and the east-west fence lines.

The distance seem to fit with the section summary.

Accepted as the true corner location.
