Title

History of corner establishment since Original Government Survey

We ran an extensive EDM traverse of Section 27, T16N, R1E tying together all the visible physical features that could be found. The location of this corner post seems to justify the true location for this corner. We accepted this location for the true corner.
Description of corner evidence found:

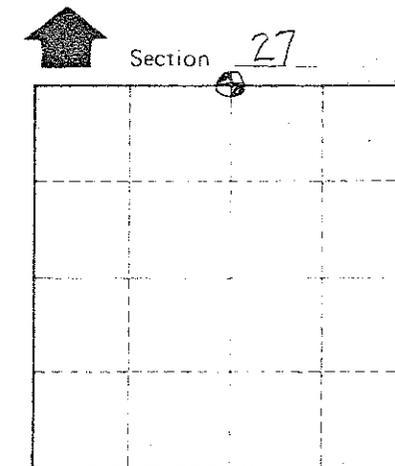

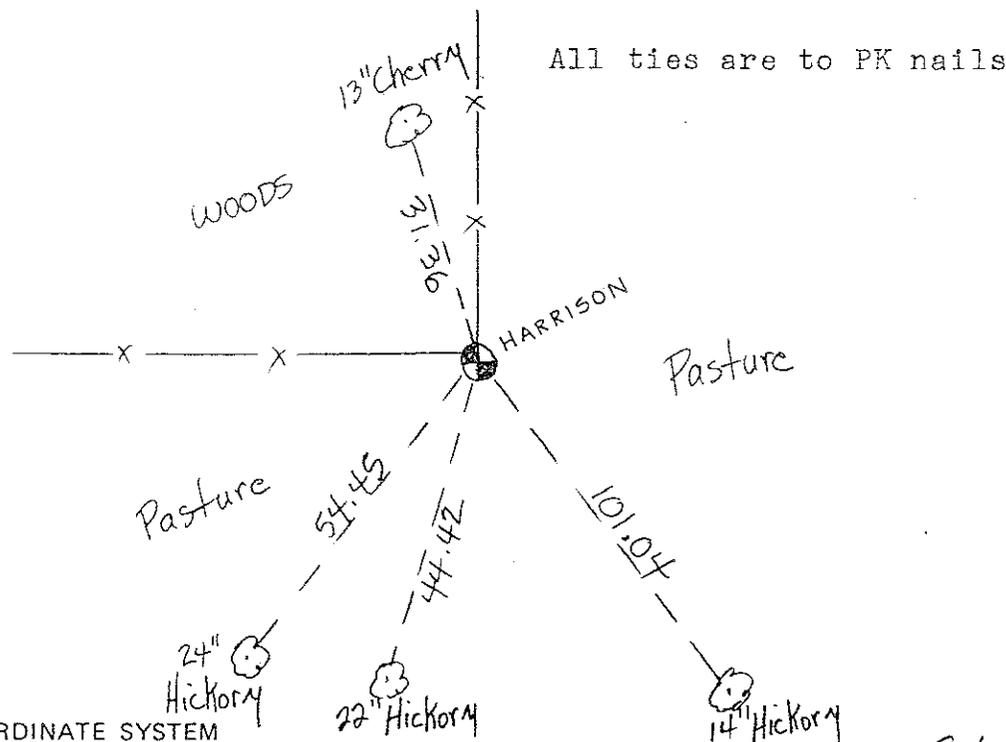

Accepted the existing old leaning fence corner as the true corner location.

COUNTY SURVEYOR FORM NO. 1

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:
