Title

History of corner establishment since Original Government Survey

Fred Holden set a stone here in March of 1901.

Description of corner evidence found:  
Could not find stone of record.

Set corner in east-west fence line and at a doubled distance from the NW corner and NE corner of NW $\frac{1}{4}$ -NW $\frac{1}{4}$  of Section 11. This fits Holden's mile distance from NW to NE corners of Sec. 11 extremely well.
