

PLAT OF SURVEY

A PART OF THE E $\frac{1}{2}$ OF THE SE $\frac{1}{4}$ IN SECTION 4, T15N, R1E,
IN THE TOWN OF GLENDALE, MONROE COUNTY, WISCONSIN.

SURVEYOR'S CERTIFICATE

I, Patrick A. Carroll, Registered Land Surveyor S-1199 for Carroll Surveying of Mauston, Wisconsin, hereby certify:

That in compliance with the provisions of A-E 7 of the Administrative Code of the State of Wisconsin, and under the direction of HUGH MURRAY, Representative for the owner of said land, I did survey and map a part of the E $\frac{1}{2}$ of the SE $\frac{1}{4}$ in Section 4, T15N, R1E, in the Town of Glendale, Monroe County, Wisconsin.

That such map correctly represents the exterior boundaries and the subdivision of the land surveyed and mapped to the best of my knowledge and belief.

That all involved lands owners being Hugh Murray, Ted Milne and Robert Murphy have agreed to use the existing fence line as the true property lines.

Commencing at the SE corner of said Section 4; thence along the existing fence line bearing NORTH, (assumed) 1326.10 feet; thence along the existing fence line now bearing S 84-24-45 W, 217.89 feet, to the point of beginning.

Thence along the existing fence line now bearing S 83-08-22 W, 1127.10 feet; thence along the existing fence line now bearing N 02-33-03 E, 1420.21 feet; thence along the existing fence line now bearing N 87-49-55 E, 714.92 feet; thence along the existing fence line now bearing S 06-41-24 E, 357.92 feet; thence along the existing fence line now bearing S 13-15-52 E, 342.85 feet; thence along the existing fence line now bearing S 17-11-05 E, 424.64 feet, along the existing fence line now bearing S 17-11-05 E, 424.64 feet, end of the existing fence line; thence along a line bearing S 23-50-20 E, 236.53 feet, to the point of beginning, containing 1,210,987 SQ. FT. in area or 27.80 acres.

This land in-itself is land-locked land, but this tranaction is between adjacent land owners and is being made a part thereof so no new parcel of land is being created by this surveying and mapping.
