History of corner establishment since Original Government Survey

S.S. Ingalls was here in May of 1873 and set bearing trees. Holden reportedly set a corner here in the early 1900's.

Description of corner evidence found:

Could find no evidence of bearing trees. Set corner at intersection of East-West fence line and a fence line extended Southerly along the West line of the Section. This fits the overall pattern of the Section reasonably well.

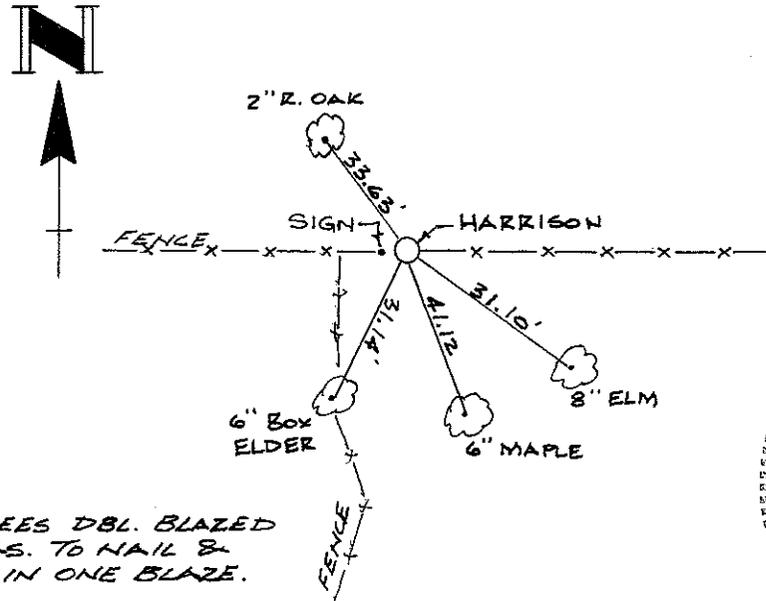

Could find no evidence of corner set by Holden.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:

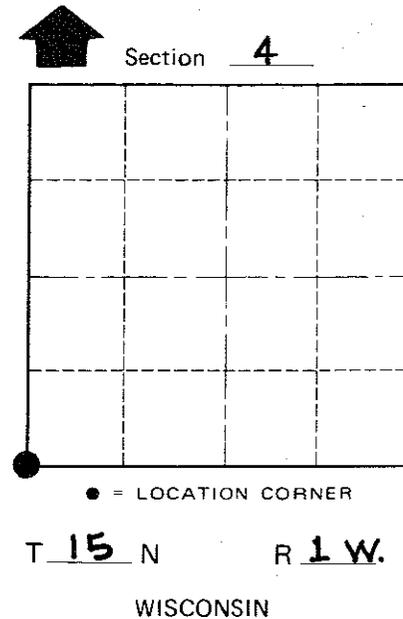

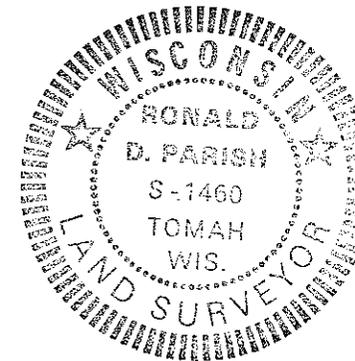

Witnesses to corner location:

Ronald D. Parish

Richard Brueggen
