CERTIFIED LAND CORNER

No. 78

2150222000

I, William C. Jung, do hereby certify that on the 27th day of July 1978, I found (evidence) (no evidence) of the E 1/4 corner of Section 22, T 15 N, R 2 W Fourth Principal Meridian, and I re-established said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 19th day of Jan. 1979.

William C. Jung, R.L.S. 1323

County Surveyor's Office Title

History of original corner establishment:

No known recorded history since the original government survey.

Description of corner evidence found:

Set a Harrison marker on the north side of an existing pipe. The pipe is the corner. The Harrison is a witness marker.

I'm not sure, but I believe that this pipe might have been put in by Floyd Loken in 1960 when he surveyed for the school site in Section 23. Accepted the corner as the best available evidence.

3/12/81 Found out that Holden set this pipe in April of 1911 in an un-recorded survey.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:

Set Harrison next to pipe as a witness marker.

Witnesses to corner location:

D. Dade

B. Meyer
