I, GARY L. DECHANT, do hereby certify that on the 7 day of OCT. 1993, I found ~~(evidence)~~ (no evidence) of the E 1/4 corner of SECTION 30, T 15 N, R 2W Fourth Principal Meridian, and I re-established said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 7 day of OCT. 1993.

Title

History of corner establishment since Original Government Survey

Fred Holden set a stone here in 1905.

Description of corner evidence found:

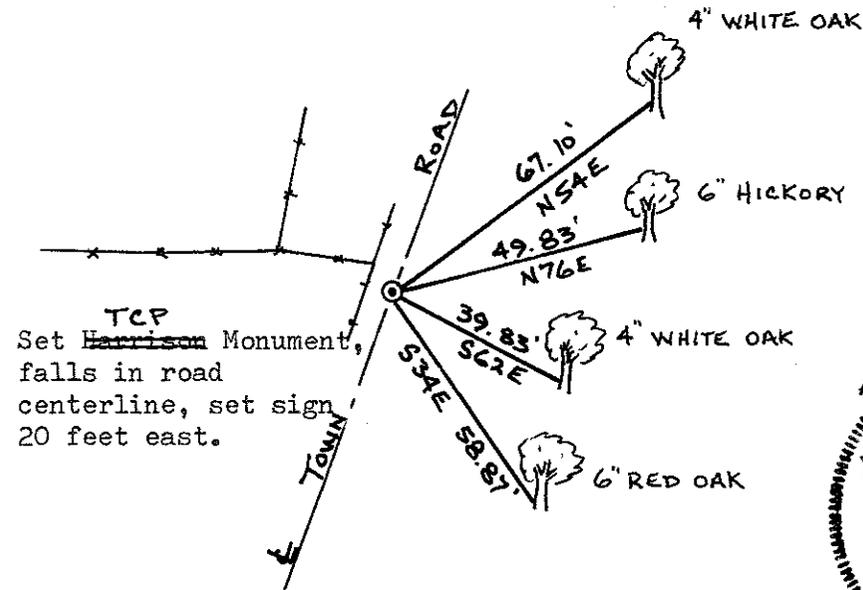

Could not find stone of record, falls in area that has been cut and filled for a Town Road. Set corner on line and at the doubled distance between the SE corner of Section 30 (existing stone) and the NE corner of the SE 1/4-SE 1/4 (reset from Holden's bearing tree-6" W.O. S4 1/2 E, 29lks., now a 22" tree). Falls in the centerline of a Town Road. This corner location also causes the NE corner of the SE 1/4-NE 1/4 to fall 8' west and 2' south of the existing fence corner, therefore fitting the overall conditions of the East line of Section 30 very well.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:
