

21502332020

I, Harley A. Sime, do hereby certify that on the 3rd day of September 1980, I found (evidence) ~~(evidence)~~ of the C/4 corner of Section 33, T15 N, R 2 W Fourth Principal Meridian, and I re-established said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 12th day of Feb. 1981.

Harley A. Sime, R.L.S. 355

County Surveyor  
Title

History of corner establishment since Original Government Survey

No known recorded history since the original government survey.

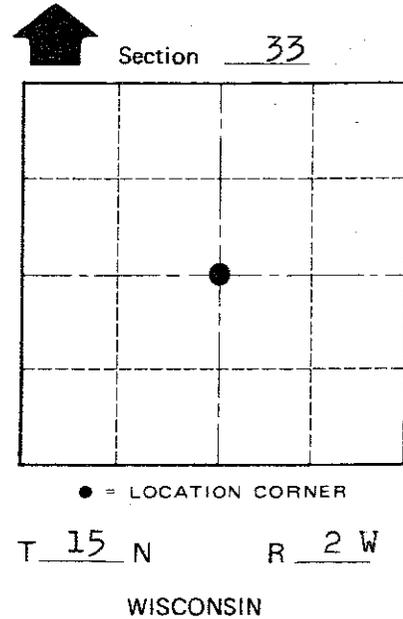

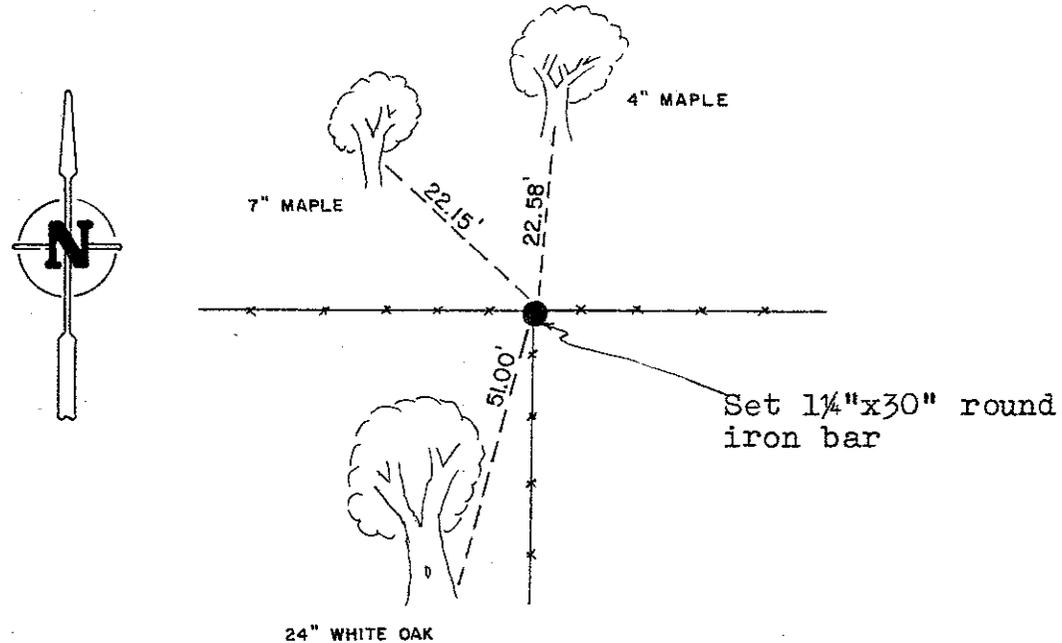

Description of corner evidence found:

The occupied lines in the SW $\frac{1}{4}$  have long been occupied as such (at least 50 years) and are quite straight. It would appear that the C $\frac{1}{4}$  was established in an irregular fashion which seems to be quite common for the Town of Sheldon. Not to accept the occupied fence corner and other occupied corners in the section would cause severe problems for the area land owners, so the occupied C $\frac{1}{4}$  corner was accepted as the corner.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:

Witnesses to corner location:

G. Dechant-Crew Chief  
M. Scott Sowers  
C. Dade
