

CERTIFICATE

CERTIFIED LAND CORNER

No. 30

21503050020

I, Gary L. Dechant, do hereby certify that on the 19th day of November 19 87, I found (evidence) of the N1/4 corner of Section 8, T 15 N, R 3 W Fourth Principal Meridian, and I re-established said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 23rd day of Nov. 1987.

Gary L. Dechant

Registered Land Surveyor, 1744 Title

History of corner establishment since Original Government Survey Fred Holden was here in April and October of 1910.

Description of corner evidence found:

Found remains of Original B.T., which was also found by Holden, reset corner from Bearing and distance given in Original notes. Falls in existing fence corner, said fence corner in poor condition. Apparently, the original surveyor's had problems in this area as there is a severe bend and distance variance. However, we do match Holden's distances between corners well, from this N1/4 to the NW corner of section 8.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:

Witnesses to corner location:

David E. Madison

Gary L. Dechant

Set 1 1/2" round iron bar and survey sign on North side. Falls on South slope with large patch of Cedar trees

(Bearing trees double blazed with N&C's set)
