

21503280000

I, William C. Jung, do hereby certify that on the 22nd day of December 1981, I found (evidence) ~~(no evidence)~~ of the Northeast corner of Section 33, T15 N, R 3 W Fourth Principal Meridian, and I re-established said corner according to the Wisconsin Statutes as shown and described hereon.

History of corner establishment since Original Government Survey
None recorded since the original government survey.

Dated this 24th day of Dec. 1981.

William C. Jung

Registered Land Surveyor 1323
Title

William C. Jung

Description of corner evidence found: Accepted the occupied corner as the best available evidence of the original government corner. The distance West to the $\frac{1}{4}$ corner fits the original distance very well. The occupied line to the South fits the East line of the section very well for most of its occupied and computed length, and the distance South to my computed Southeast corner of Section 33 fits the original notes well. The distance is short, but this is probably due to the rough terrain along the East line of the Southeast $\frac{1}{4}$ of Section 33.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:

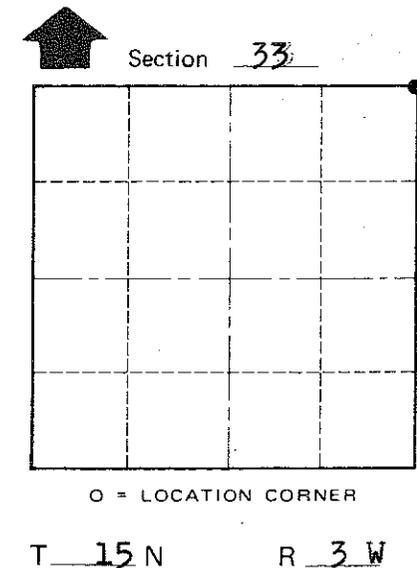

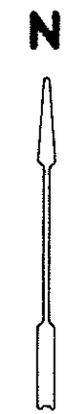

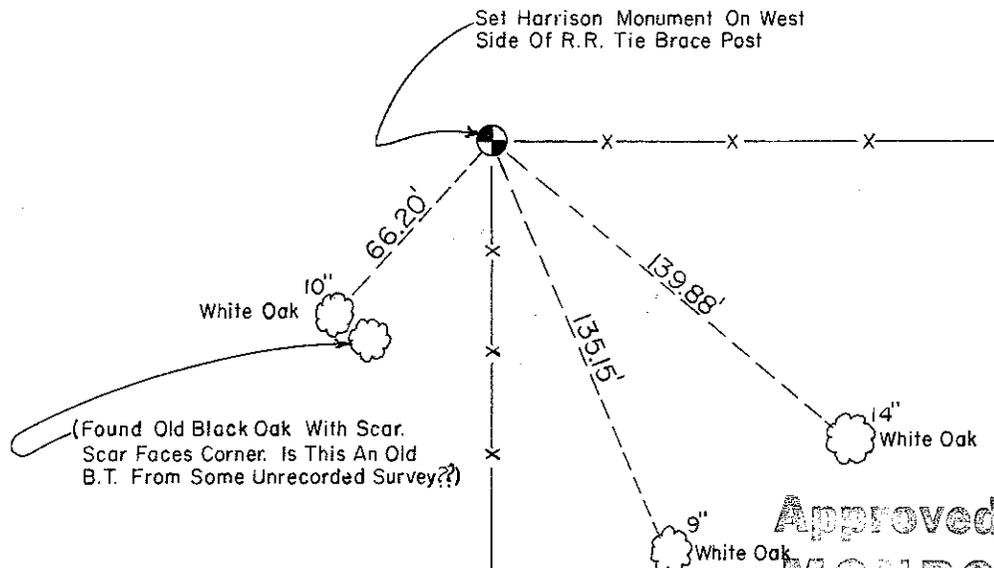

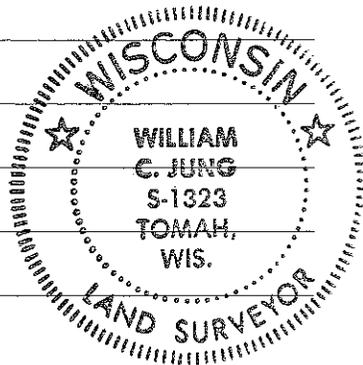

All B.T.'S Double Blazed; Nail In Lower Blaze; Distance To Blaze.

Witnesses to corner location:

Jung

Dechant

Meyer
