Description of corner evidence found: Set the corner on line between the SW and SE section corners and at a distance of 2640 feet from the SW section corner. I found a North-South fence 1320 feet East of the SW section corner. Holden show this corner to be 2640 feet East of the SW section corner. He shows a stone at the SW section corner. I measured from a Harrison which is at Holden's stone's position.
