I, Gary L. Dechant, do hereby certify that on the 7th day of August 1985, I found (evidence) (~~no evidence~~) of the W¹/₄ corner of Section 4, T 16 N, R 2 W Fourth Principal Meridian, and I re-established said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 15th day of August 1985.

Gary L. Dechant

Registered Land Surveyor-1744
Title

History of corner establishment since Original Government Survey
Fred Holden was here in May of 1910.

Description of corner evidence found:

Accepted fence corner as the best available evidence. This corner fits Holden's distance to the NW corner of Section 4 within 2'+. It is approximately 40'+ short of Holden's distance to the SW corner of Section 4, however, can be easily understood as there are three slopes of 30° or greater between the SW and W¹/₄ corners. Corner falls on the north side of a 30°+ slope.

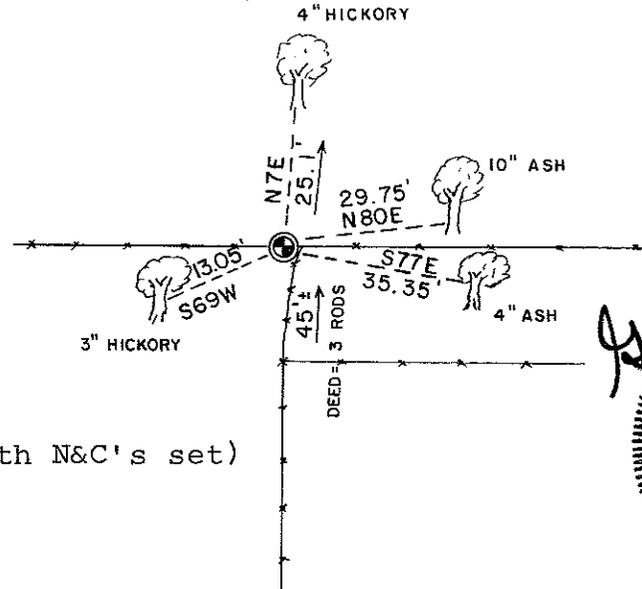

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:
Set Harrison Monument in small mound of stones.

Witnesses to corner location:

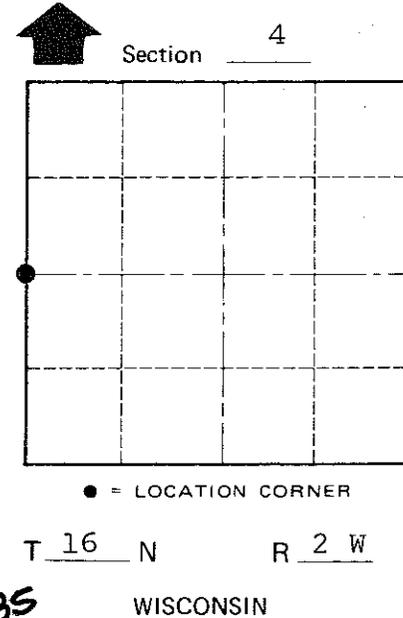

Dan Rattle
