

21604030000

I, William C. Jung, do hereby certify that on the 11th day of November 1980, I found ~~(evidence)~~ (no evidence) of the SE corner of Section 3, T 16 N, R 4 W Fourth Principal Meridian, and I re-established said corner according to the Wisconsin Statutes as shown and described hereon.

History of corner establishment since Original Government Survey

Kenyon set a R.R. rail at this corner in June of 1885. Holden found this R.R. rail in November of 1909.

Description of corner evidence found:

Set the corner on line with the line fence to the East and on line with the road centerline to the North. This location fits very well the existing field evidence and measurements to the North, West, and East. I searched for but could not find the R.R. rail. It was more than likely destroyed during road construction.

Dated this 15th day of Jan. 1981.

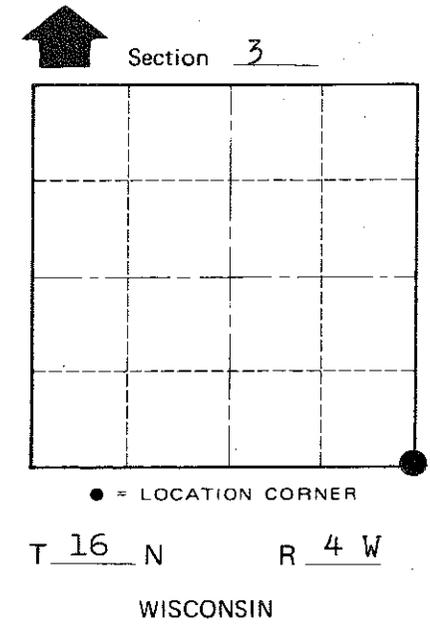

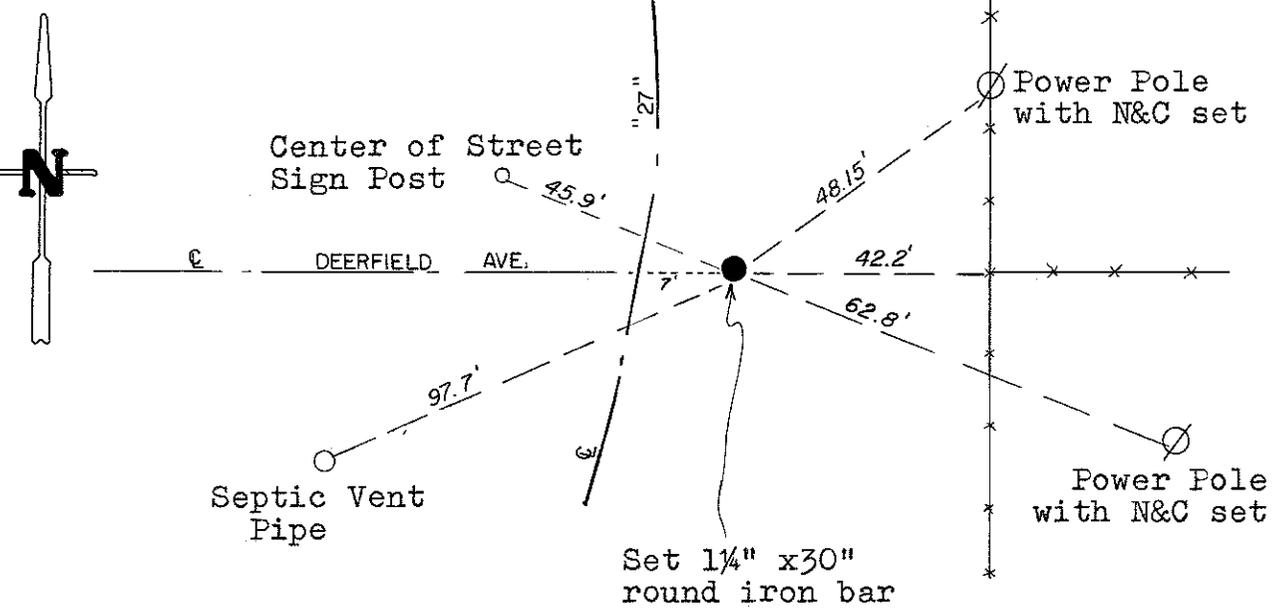

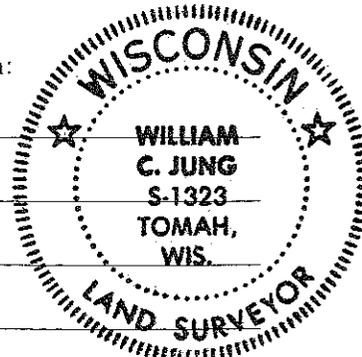

William C. Jung
