Title

History of corner establishment since Original Government Survey

No known recorded history since the original survey.

Description of corner evidence found:

This corner falls within the boundaries of a game farm with all fences removed for a period of time. Brush and foliage is so dense I could not determine anything by occupation. Set the corner extending the line from the NW corner thru the W 1/4 corner and intersecting this with the traces of old fence line I found to the east.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:

Witnesses to corner location:
