I, William C. Jung do hereby certify that on the 15th day of May 19 80, I found (no evidence) of the Southwest corner of Section 5, T 17 N, R 3 W Fourth Principal Meridian, and I re-established said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 5th day of March 19 81

William C. Jung, R.L.S. 1323 Title

History of corner establishment since Original Government Survey

In his notes of April, 1907, Fred Holden shows this corner as being inaccessible in the mill pond.

Description of corner evidence found:

Set the corner at a computed location that fits several previous surveys done in the four surrounding sections. This corner does not fall in the pond. Judging by the size of the surrounding trees, it is hard to believe that this corner ever fell in the pond.

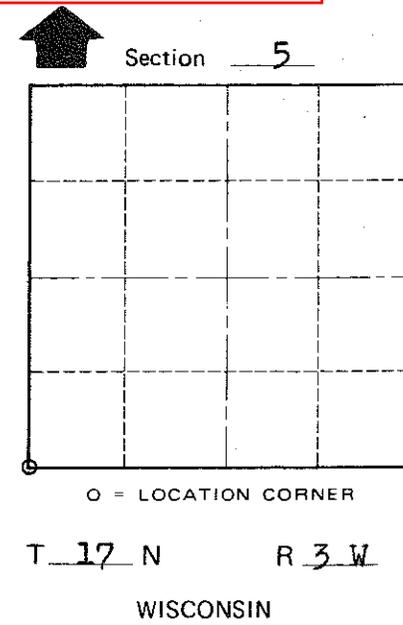

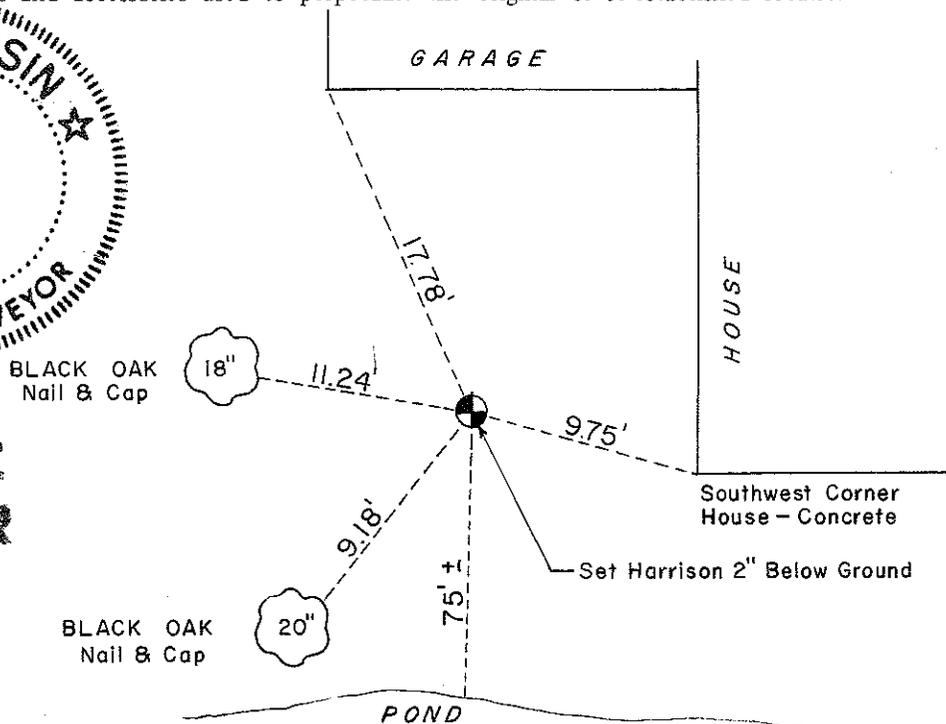

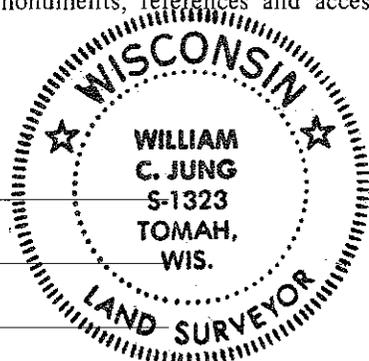

This corner location has been in dispute for several years. Please contact the Monroe County Surveyors Office prior to using the Harrison location shown on this tie sheet. GARY DECHANT, Monroe County Surveyor.

COUNTY SURVEYOR FORM NO. 1

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:

Witnesses to corner location:
