CERTIFIED LAND CORNER

History of corner established since Original Government Survey

In 1986 Gary Dechant accepted the remains of a fence corner as the best available evidence. Dechant set a Harrison monument.

Description of evidence found

On February 7th, 2013, Anderson Engineering of Minnesota located the Harrison monument flush with the ground in a mound and halfway up a slope. Remnants of a barbed wire fence were found in a tree 6 feet east of the monument. The fence appears to have run east-west.
