CERTIFIED LAND CORNER

History of corner established since Original Government Survey

Fred Zieltlow was here in 1971 and set a 3/4 inch iron bar in the centerline of the road. William Jung found and accepted the iron bar. Jung replaced it with a Harrison monument in 1982.

Description of evidence found

On January 22nd, 2013, Anderson Engineering of Minnesota located the Harrison monument 0.5 feet below grade in the center of an east-west bituminous road.

I, William C. Jung, do hereby certify that on the 26th day of June 1981, I found (evidence) ~~evidence~~ of the SE corner of Section 33, T17 N, R 3 W Fourth Principal Meridian, and I re-established said corner according to the Wisconsin Statutes as shown and described hereon.

History of corner establishment since Original Government Survey

Old Town Road records of September, 1857, show that the road was to have been on the Town Line at this point. Fred Zietlow set a 3/4" iron bar at this corner in December of 1971. James Carroll used this iron bar as the corner in September of 1977 as did Larry Feddersen in October of 1979.

Description of corner evidence found:

Found the iron bar in the centerline of the road. This iron bar has been used in previous surveys and fits evidence along the Town Line very well. Accepted the iron bar as the corner and replaced it with a Harrison marker.

Dated this 24th day of Sept. 1981.
