CERTIFIED LAND CORNER

No. 123

21703350000

I, Gary L. Dechant, do hereby certify that on the 8th day of March 1991, I found (evidence) (~~no evidence~~) of the SE corner of Section 35, T 17 N, R 3 W Fourth Principal Meridian, and I re-established said corner according to the Wisconsin Statutes as shown and described hereon.

History of corner establishment since Original Government Survey

No known recorded history since the original government survey.

Description of corner evidence found:

Accepted intersection of old fence lines as best available evidence. This corner location falls 44 feet east of the present occupied corner. However, it was stated to me by Mr. Schultz, area landowner, that this corner was moved west so the neighbor could provide shade for his cattle. This was moved many years ago. Land ownership is now changed and apparently has caused some words between neighbors and not moved back to its original position. This corner location best fits distance 1/2 mile east and west.

Dated this 13th day of March 1991.
