Registered Land Surveyor S-1266
Title

History of corner establishment since Original Government Survey

In September of 1902, Fred Holden visited this corner, and made reference in his notes to a pile of red sandstone three feet North of this corner.

Description of corner evidence found:

Found a pile of red sandstone approximately three feet in diameter at the intersection of fallen fences to the East and South. Excavated the soil three feet South of the center of the red sandstone pile and found remnants of a wood post.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:

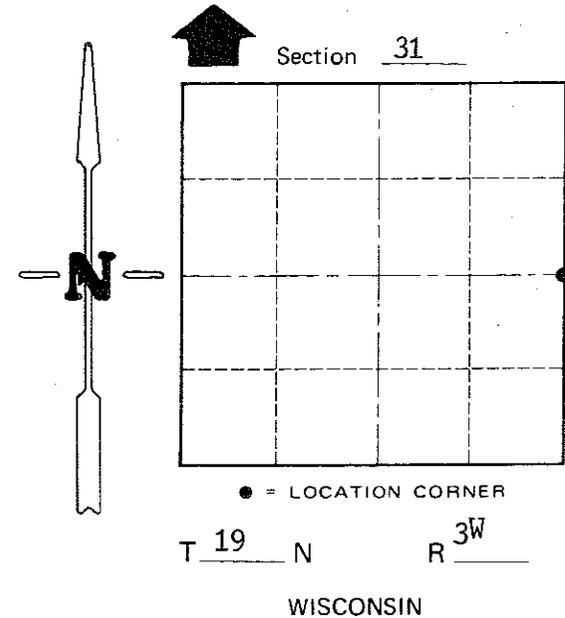

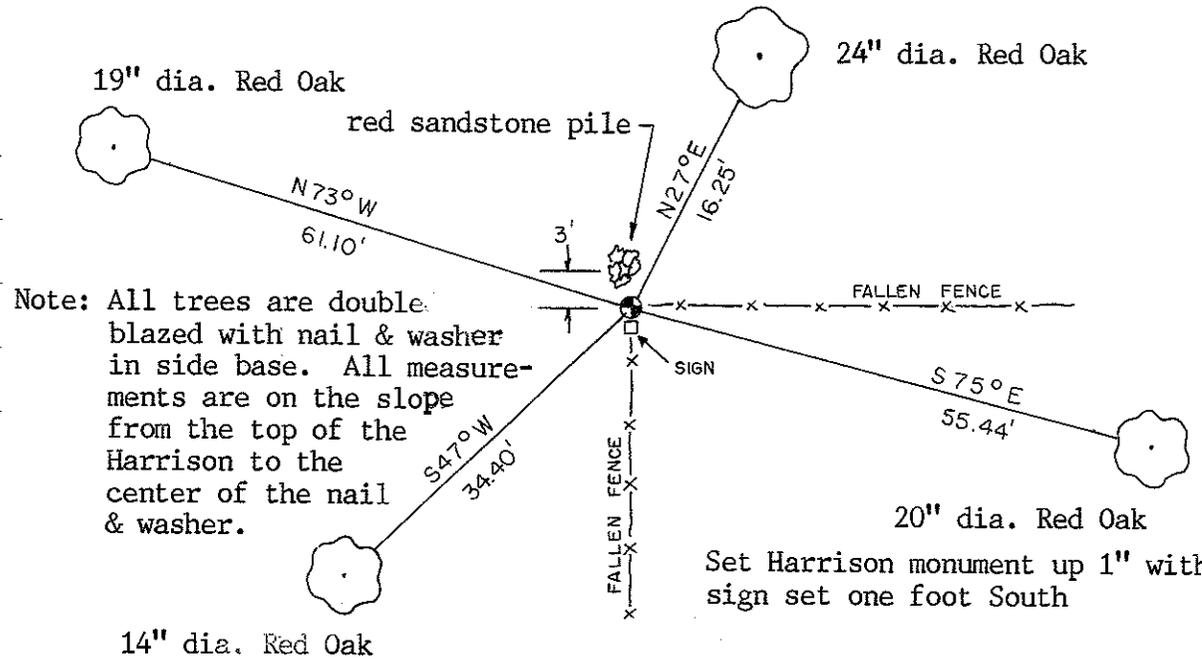

Witnesses to corner location:

Lawrence Feddersen

Tim Jeatran

Douglas J. Malliet

Vernon Smith (area landowner)

Note: All trees are double blazed with nail & washer in side base. All measurements are on the slope from the top of the Harrison to the center of the nail & washer.

Set Harrison monument up 1" with sign set one foot South
