I, Bryan H. Meyer, do hereby certify that on the 29th day of March 1984, I found (evidence) ~~XXXXXXXXXX~~ of the NE corner of Section 15, T 19 N, R 4 W Fourth Principal Meridian, and I re-established said corner according to the Wisconsin Statutes as shown and described hereon.

History of corner establishment since Original Government Survey

Holden was here in November of 1904 and again in November of 1908. Blencoe was here in December of 1902. Gary Sime was here in April of 1976 and set a 3/4"x24" iron bar.

Description of corner evidence found:

I was unable to find Sime's bar. I set a Harrison in the old corner posthole. This point fits the location of where Sime's bar was within 2 feet±.

Dated this 27th day of Nov. 1984
