Title

History of corner establishment since Original Government Survey

Schroeder (?) was at this corner in May of 1886. Harley Sime measured to and accepted the present location in January of 1963. Duane Marten set a R.R. spike at this corner in his survey of April, 1971. Garold Sime used this R.R. spike in his survey of August, 1976.

Description of corner evidence found:

Found Marten's R.R. spike, removed it and replaced it with a Harrison marker. I accepted this occupied corner as the best available evidence of the original government corner.
