NOTE: Because of several errors in Vol. 158D., P. 249, the above description was written to correctly described lands intended to be conveyed in said Vol. 158 D., P. 249. The

acreage and dimensions have changed somewhat because of the widening and relocation of S.T.H. "21". The property was surveyed using the centerline of Silver Creek and old highway right of way maps. The lands as now surveyed fit the old occupied SE corner and the old Southeasterly line extremely well.
