SURVEYOR'S CERTIFICATE

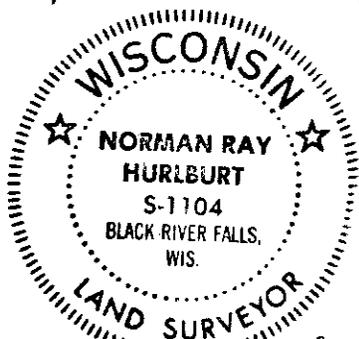

HSE File 88N-005

I, Norman R. Hurlburt, Registered Land Surveyor, do hereby certify that, by the order and under the direction of Harold J. Peterson of Northern States Power Company, I have surveyed and mapped a part of the North half of the Northeast quarter of Section 22 in Township 19 North of Range 5 West, Town of Little Falls, Monroe County, Wisconsin, described as follows:

Commencing at a point on the north line of said Section, South 88°40'12" West 1449.33 feet from the Northeast corner thereof; thence South 1°19'48" East, perpendicular to said line, 10.33 feet, to the point of beginning; thence South 37°18'49" East 140.00 feet, to a point to be referred to as Point A; thence continuing South 37°18'49" East 60.00 feet; thence South 52°41'11" West 200.00 feet; thence North 37°18'49" West 200.00 feet; thence North 52°41'11" East 200.00 feet, to the point of beginning.

Also an easement for ingress and egress over a strip of land 14.00 feet in width, the centerline of which is described as beginning at the aforesaid Point A; thence North 87°00'22" East approximately 305 feet, to the westerly right of way line of First Lane, and there terminating. The side lines of said strip are to be extended or shortened to terminate at the northeasterly boundary of the previously described parcel on the west, and at the road right of way line on the east.

I further certify that this Map of Survey is a true and correct representation of the exterior boundaries of the land surveyed, and that I have complied with the provisions of Chapter AE-7 of the Wisconsin Administrative Code, to the best of my knowledge and belief.
