COMMENTS

When I did CSM 26/017, I found that all of the stakes set in CSR 1950 were rotated about 5 or 6 minutes clockwise around the W1/4 corner. I set new monuments at the Northwest and Southwest corners of that CSM, but left all of the old stakes in place. Since then, I have talked with all of the owners of Parcels B, C, D & E of the previous survey, and all agreed to have the stakes along their east line moved to where the survey and their deeds say they should be. I have now moved bars at points C, D & E of this map to their correct location according to CSR 1950. At B, I removed the previous bar and left my pipe from CSM 26/017 in place. I left the bar and my cotton gin spike in place at F. At A, I left the bar in place S89°07'52"E 0.37' from our computed point on the section line.

Following are distances and directions from the points as now marked to points as previously marked:

- B - S10°15'E 1.52'
- C - S23°35'E 1.55'
- D - S34°59'E 1.78'
- E - S44°11'E 1.51'
- F - S56°00'E 2.62'

SURVEYOR'S CERTIFICATE

I, Norman R. Hurlburt, Registered Land Surveyor, hereby certify that, by the order and under the direction of Travis Krueger, I have surveyed and mapped a line in the Southwest quarter of the Northwest quarter of Section 22 in Township 19 North of Range 4 West, Town of Little Falls, Monroe County, Wisconsin, described as follows:

Commencing at the Southwest corner of said quarter-quarter; thence North 0°05'24" East, on the west line thereof, 250.40 feet; thence South 89°07'48" East 914.24 feet, to the Southwest corner of Lot 2 of Certified Survey Map (CSM) recorded in Volume 26 of CSM's on Page 17, and the point of beginning; thence North 0°02'38" East 1066.70 feet, to the Northwest corner thereof, and there terminating.

I further certify that this Map of Survey is a true and correct representation of the line surveyed, and that I have complied with the provisions of Chapter AE-7 of Wisconsin Administrative Code, to the best of my knowledge and belief.
