History of corner establishment since Original Government Survey

Fred Holden shows an iron bar here in March of 1901. D. Marten set a 3/4"x24" iron bar in a fence corner here in Sept. of 1971, he did not find Holden's iron bar. D. Malliet in Dec. of 1977 found a 1 3/4"x10" iron pin (possibly Holden's) and replaced it with a 1 1/4"x132" iron bar. J. Carroll was here in Sept. Description of corner evidence found: and Dec. of 1978 and used Malliet's corner.

Found a 1/4" round iron bar. Set a Harrison Monument on the north side of the iron bar as a witness marker. **IMPORTANT!!** The 1/4" iron bar is the actual corner. The 1/4" iron bar is D. Malliet's marker. We could not find D. Marten's iron bar.
