COUNTY SURVEYOR
Title

CERTIFIED LAND CORNER

No. 67

History of original corner establishment:

In March of 1902 Fred Holden (County Surveyor) set an iron at this corner site, using a JO (Jack Oak) and a WO (White Oak) as witness trees.

Description of corner evidence found:

The corner iron was not found and due to extensive logging in the area neither were the witness trees. Therefore the corner was set in an existing occupation line (as witnessed by Paul Muehlenkamp 4/5/75), and at the approximate distance from the E $\frac{1}{4}$ corner as is the NE corner of the same Section.

**Approved: HARLEY A. SIME
MONROE CO. SURVEYOR**

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:

Witnesses to corner location:

Larry Feddersen - Survey Crew Chief

Kim H. Pritzlaff

Paul Muehlenkamp (property owner)
