History of original corner establishment:

In April of 1868, O. R. Dahl (County Surveyor) set a '1/4' stake at this corner. A sled shoe was recovered here which fit existing conditions and measurements well. Whether or not the sled shoe replaced the stake I couldn't detect, but there wasn't any evidence of the stake near the site.

Description of corner evidence found:

Found an existing sled shoe at this corner, and replaced it with a Harrison monument.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:

Replaced the sled shoe with a standard Harrison monument down 4" below the blacktop. Accessories listed below :
