History of corner establishment since Original Government Survey

~~Holden found the original corner in April, 1907.~~

*Void w/ef 8/5/82*

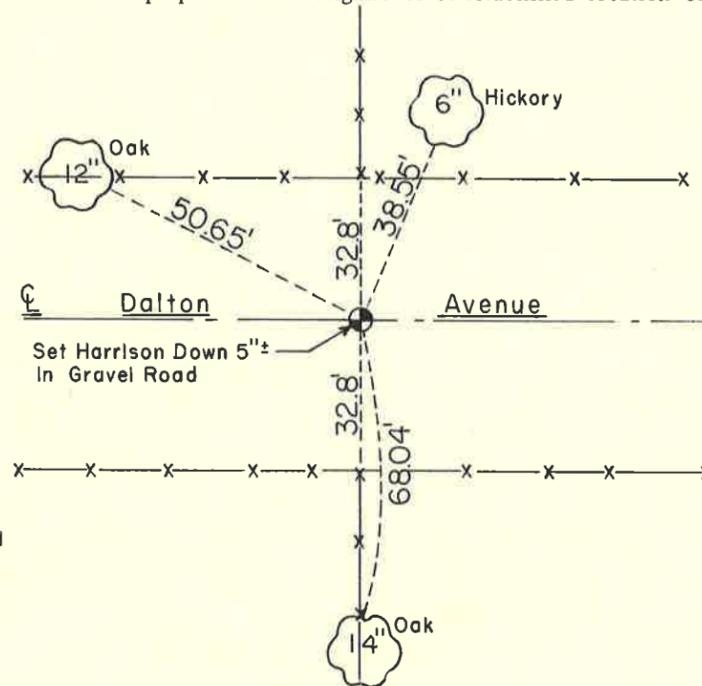

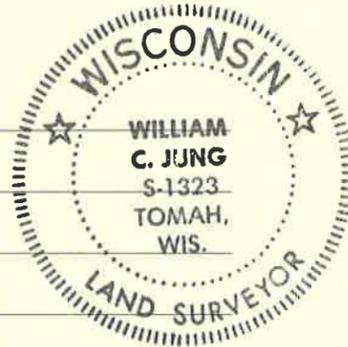

Description of corner evidence found:

The corner was set on line with the line fences to the North and South and in the road centerline. The present road centerline fits the existing four rod road fences.. This location fits very well the evidence found on the town line to the East and West.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:

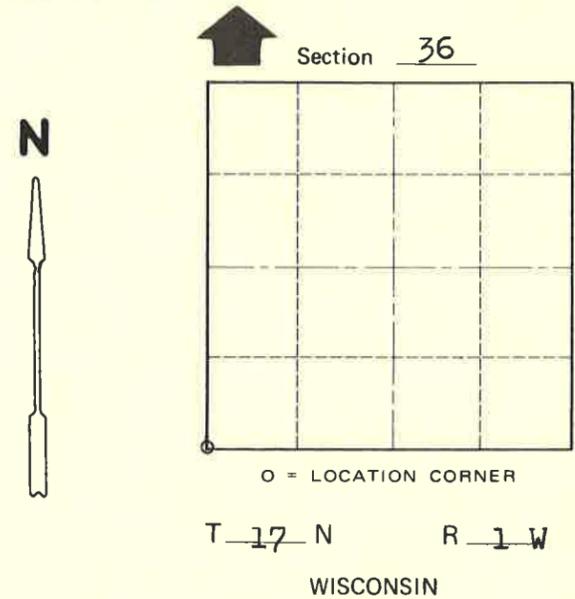

Witnesses to corner location:
