 Title

History of original corner establishment:

Description of corner evidence found:

Placed corner on line with the fence to the North and at a distance from the occupied E1/16 corner of the NE<sup>1</sup>/<sub>4</sub> of Section 10 as from the latter to the NE corner of Section 10. This location fits the old school parcel deed and also agrees with the witness testimony of Lester Chapman, long time resident of the area. Said corner placed as such also fits the evidence found in Section 11.

Mr. Chapman also said that a surveyor in recent years had set a corner in the road, but we could not find this corner nor any record of such a survey. A Certified Survey was later done of the old school parcel in January of 1976 for Thomas Noth.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:  
 Set a Harrison monument, down 1", on North side of C.T.H. "G".  
 Accessories are as shown below:
