 Title

History of original corner establishment:

Description of corner evidence found:

Commenced a line at the S¹/₄ corner of Section 11, pushed it North along the occupied N-S¹/₄ line and intersected this line with the North line of Section 11. Field measurements, existing evidence, and aerial photos show that this method locates a corner that fits quite well the overall picture of Section 11.

See Reverse Side For Maintenance

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:
