Original Government survey was done by J. Dunn and crew in November 1846.

Keach set a stone here in 1909 as filed in Vol 1 page 263 of historic records.

Found a Harrison Monument, but no tie sheet on record. Corner was set by Nicholas Hillmer, as shown on CSR 2289, dated May 23, 2013.

Our data shows it was set by single proportionate measurement.
