**Land Conservation Department - Policy Changes Due to COVID-19
March 25, 2020**

In response to the rapid spread of COVID-19 the Monroe County Land Conservation Department has migrated towards working remotely. We are not taking any in person appointments until further notification. All Land Conservation staff now have the resources to work from home. We will be communicating by: email, phone, text, etc. until April 24th unless this date is extended.

Site visits, program applications, planning, design and all other work will continue. All staff will adhere to the social distancing protocol. Please use the following numbers to reach staff:

Office Schedule:

Mon & Tue. Bryce (Soil & Water Conservationist) Office - 608-269-8975/Cell 608-797-4586
(Conservation Practices, nutrient mgt., non-metallic mining)
