I, Lawrence A. Feddersen, do hereby certify that on the 22nd day of August 19 78, I found (evidence) ~~XXXXXX~~ of the E¹/₄ corner of Section 18, T 17 N, R 1 E, Fourth Principal Meridian, and I re-established said corner according to the Wisconsin Statutes as shown and described hereon.

Dated this 13 day of Sept. 19 78.

Title

History of original corner establishment:

No subsequent history of corner perpetuation since the original U.S. Government Survey.

Description of corner evidence found:

The corner was re-established at the intersection of a three-way fence. The occupied fence intersection was considered the best possible evidence for the corner location. The distance South to an existing pipe at the SE corner of Section 18 fell within tolerances of the Government Survey Notes. However, the distance North to the pipe at the NE corner of Sec. 18 was short, which was probably due in part to the extremely hilly terrain encountered in that 1/2 mile.

Description of corner and witness monuments, references and accessories used to perpetuate the original or re-established location of this corner:

Witnesses to corner location:
